Attorney's Docket No.: 10559-438001 / P10655

A3 -- FIG. 7 is a cross-sectional view showing four pixels of an OLED flat panel display,
similar to the view shown in FIG. 3, in accordance with another embodiment of the invention.--

Replace the description of FIG. 8 at page 3, lines 16-17 with the following description of
FIG. 8:

A4 -- FIG. 8 is a cross-sectional top view of the portion of the OLED flat panel display
shown in FIG. 7.--
